

SAN DIEGO COUNTY'S CHRISTIAN NEWSPAPER

Good News, etc.

2010 Media Kit (760) 724-3075

36,000 Copies Monthly • Over 1,300 Locations • 26 Years of Publishing

Good News, etc. is a monthly Christian tabloid beginning its 26th year. The newspaper circulates 36,000 copies throughout San Diego County and extends into the greater Temecula/Murrieta area of Riverside County. *Good News, etc.* is packed with news, features and events that address the Christian community. *Good News, etc.* is also a publication that endeavors to reach out to those who don't know Jesus Christ as their Savior. The newspaper is made available through churches, schools, businesses and public facilities. *Good News, etc.* contains local news and features divided into editorial sections: Family, Pro-Life, Politics, Evangelism, Missions, Books, Sound Events, Sports, Politics, Ministries and Opinion. Other highlights of *Good News, etc.* are "The Calendar," Classifieds and an array of display advertisements that promote businesses and community events.

Targeting San Diego County's Christian Community

Advertisers can choose both our editions with the full circulation of **36,000** copies a month, or select just the North County edition or just the San Diego edition. Highway 56 is the dividing line between the editions:

NORTH COUNTY — Del Mar, Solana Beach, Cardiff, Encinitas, Leucadia, Carlsbad, Oceanside, Camp Pendleton, Vista, Fallbrook, San Marcos, Escondido, Valley Center, Poway, Rancho Bernardo, Penasquitos, Ramona, Murrieta & Temecula.

SAN DIEGO — The area from La Jolla to San Ysidro, and from the Beach Cities to El Cajon — and points between.

Many advertisers elect to concentrate their advertising budget to a readership closer to their geographical area and can save money by advertising in one edition. For others who desire to reach the entire county, there is a substantial discount in the "cost per thousand" as the second edition is available for only 50% more than the single edition rate.

Offering Our Readers . . .

- Current local news of interest to Christians, prepared by Christian writers/journalists and presented in an easy-to-read format.
- National and world news provided by the Evangelical Press News Service and other sources.
- "The Calendar" — a listing of Christian events in San Diego County for the month.
- Outstanding local columnists: Pam & Bill Farrel, Bill Smith, Anthony Saffer, Caz Taylor, Dannie Haemig, and Frank Kacer.
- Prominently displayed "sections" or pages for Sports, Health, Business, Missions, Pro-Life, Opinion, Evangelism, Ministries, Politics, Family, Sound Events, Books, etc.
- An effective Web page (www.goodnewsetc.com) with current news reports and calendar listings.
- Experience: *Good News, etc.* began publishing in 1984 with 10,000 copies a month. Over 10 million copies printed to date.
- Commitment: With a proven "track record" of 26 years under the same ownership, we're here for you!

Offering Our Advertisers . . .

- Target advertising: The best way to reach the Christian community in San Diego. *Good News, etc.* is a trusted resource that people save for its news, information and advertisements, ready to begin our 26th year.
- A way to reach the Christian audience which looks forward to receiving this quality newspaper each month. Ads in *Good News, etc.* have exposure for a whole month — not just a day or week.
- The choice of advertising in North County or the greater San Diego area. And for the advertiser who needs exposure throughout the county, it costs only 50% more to advertise in both editions — but it doubles your circulation.
- A newspaper format that assures the advertiser their ad won't be lost in pages and pages of other advertising. An ad can usually be positioned where it will do the most good for the individual advertiser. (A concert ad would do better in the Community Calendar section, for example, or a marriage retreat ad on one of the Family pages.)
- Discounts for frequent advertising (15% off for 3-month run, 20% off for 6-month run and 25% off for 12-month run).
- For no additional charge we will help design an ad that will maximize your advertising investment.
- Your display ad will also appear on the digital edition of the paper of www.goodnewsetc.com. Banner ads also available.

Where Do the Papers Go?

Good News, etc. is made available to churches, businesses and ministries for monthly distribution. In addition, approximately 250 papers are mailed each month to subscribers, advertisers and supporters of GNE. About half of the papers go directly to churches. About a third of the papers go to public locations and 10% to ministries, bookstores and Christian schools. Our average quantity is 30 papers per location and there are over 1,300 distribution locations for the 36,000 copies.

Who Reads the Paper?

A 2008 study by the Fellowship of Christian Newspapers found that our readers are typically homeowners, highly involved in the community, and possess above-average purchasing power. They trust the newspaper as a source for reliable information. Some interesting statistics:

- 57% of readers are women • 75% are married • 29% are self-employed • 58% earned \$50,000 or more annually
- 50% attend church 2-3 times a week • 34% spend 4+ hours a day on the Internet • 77% own their home • 78% have a college education
- 85% report reading most or all the newspaper each month and after reading their copy many save it or pass it on to family for friends.

Mechanical Requirements

AD SIZES — Order your ad in any size (by the column inch) or in one of the standard sizes. The minimum ad size is 1/16 page.

PLACEMENT — Position cannot be guaranteed, but the publishers will make every effort to accommodate reasonable requests.

PAYMENT — New clients must have payment accompany their advertising order or when a proof is shown. Established local accounts are billed, with payment due by the 10th. Cancellations after the 20th will be billed 50 percent of the cost of reserved space. An advertiser on contract who does not complete the term will be re-billed at the open rate or discount rate earned. Payments received after the 10th are subject to a late charge.

DEADLINES — For space reservations in the next month's paper, the deadline is the 15th. Allow one week for ad proofs if required; ad payment is due at that time for new clients. If space has been reserved and payment made, the advertiser has until the 22nd to provide camera-ready art. The newspaper is usually distributed the last Saturday of the month so that it's in the readers' hands by the 1st.

PRODUCTION — There is no charge for usual and customary ad production, which includes typesetting, scanning and labor that we can do on site. Scanning from slides or a large format will require a fee for the cost of the special work. We can also handle most photography needs at the minimum rate of \$15 per session plus a travel fee. Liability for a production error by *Good News, etc.* or our printer shall not exceed the cost of the ad. A composition charge based at \$30/hour (\$10 min.) will be applied to all ads produced by *Good News, etc.* and cancelled before publication.

ART SERVICES — Additional art services are available, including turning an ad into a flyer or poster. We can also design brochures, business cards and other projects. Charges are \$30/hour (minimum charge \$10).

CONTENT — Subject matter, form, size, wording and illustrations will be subject to approval by the publishers, but no change shall be made without the advertiser's consent. Responsibility for the ad rests with the client.

SPECIFICATIONS — The newspaper is printed by the offset method. We operate on a Macintosh system and preferred file formats are pdf, tiff or Photoshop, with a dpi of 300. A 150-line screen is best for all halftones and full color must be CMYK. Allow for a 20% dot gain. Also, avoid 4-color black on ads. E-mail ads to goodnewseditor@cox.net or for larger files, contact us about FTP details.

COLOR — The ROP color cost is \$42. Other specified spot colors are \$65 each. For full color, the open rate is \$195 — reduced to \$100 as the contractual rate. These add-on prices apply for any size ad.
